

Tai-Pulsar Industrial Corp. (TPIC)

HEAT SINK MANUFACTUR

Company History

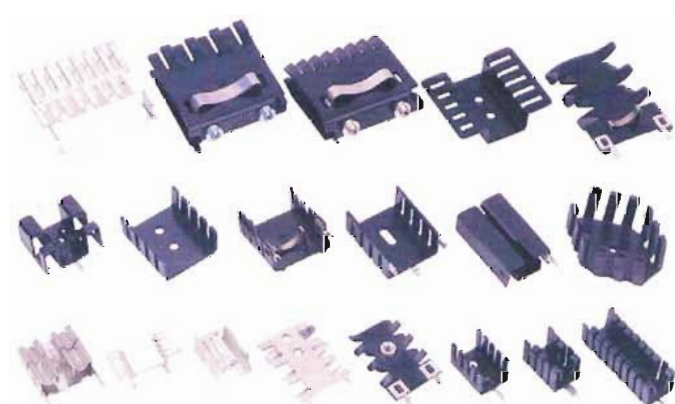

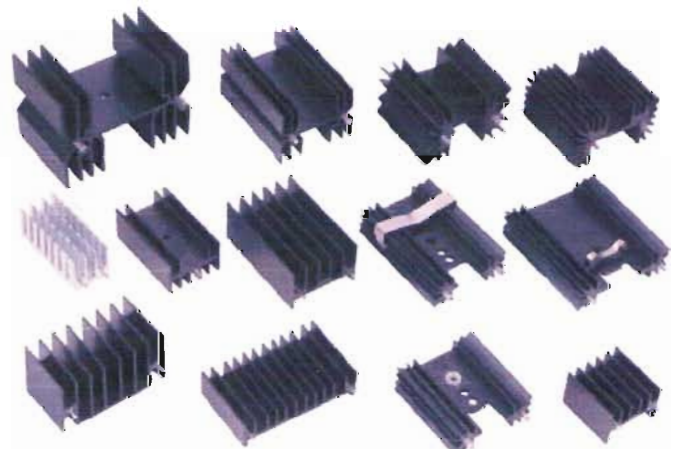

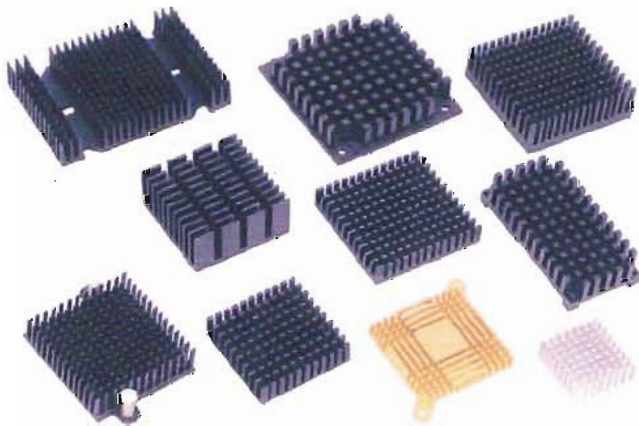

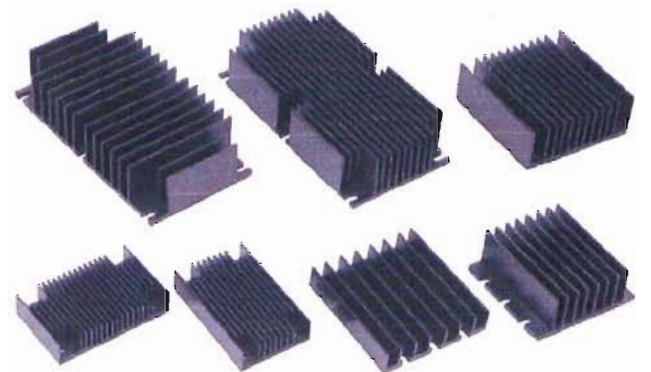

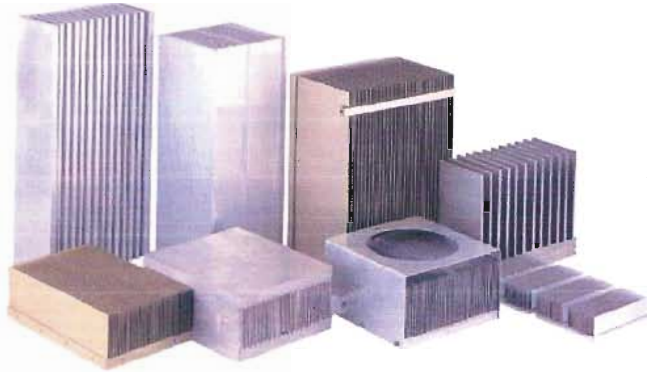

- TPIC Taiwan Address : 3F, No. 379-1, Chun Shan Road, Sanchung District, New Taipei City, Taiwan
- TPIC Kunshan Plant : Building 6, No. 136, Dong Rong Road, Bacheng Town, Kunshan City, Jiangsu Province, China
- TPIC Dongguan Plant : No.9, Xihu Xifa Road, Tangxia Town, Dongguan City, Guangdong Province, China

Manpower

- TPIC Taipei : 15 persons
- TPIC Kunshan Plant : 80 persons
- TPIC Dongguan Plant : 150 persons

HEATSINK PRODUCTS

LED - HEATSINK

RSP-E27

LED lights thermal solution LED connector types included E14, E27, AR111, MR16, GU10...etc LED power: 1W~9W (as request) Extrusion or die-casting heatsink (anodized optional)

RSP-MR16

LED lights thermal solution LED connector types included E14, E27, AR111, MR16, GU10...etc LED power: 1W~9W (as request) Extrusion or die-casting heatsink (anodized optional)

TPLS-A01

LED lights thermal solution LED connector types included E14, E27, AR111, MR16, GU10...etc LED power: 1W~9W (as request) Extrusion or die-casting heatsink (anodized optional)

TPLS-A02

LED lights thermal solution LED connector types included E14, E27, AR111, MR16, GU10...etc LED power: 1W~9W (as request) Extrusion or die-casting heatsink (anodized optional)

TPLS-C01

LED lights thermal solution LED connector types included E14, E27, AR111, MR16, GU10...etc LED power: 1W~9W (as request) Extrusion or die-casting heatsink (anodized optional)

TPLS-N02

LED lights thermal solution LED connector types included E14, E27, AR111, MR16, GU10...etc LED power: 1W~9W (as request) Extrusion or die-casting heatsink (anodized optional)

TPLS-T01

LED lights thermal solution LED connector types included E14, E27, AR111, MR16, GU10...etc

TPLS-TS01

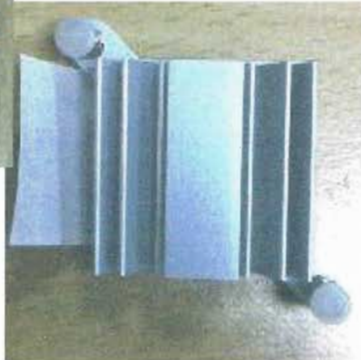

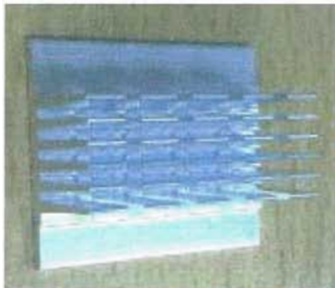

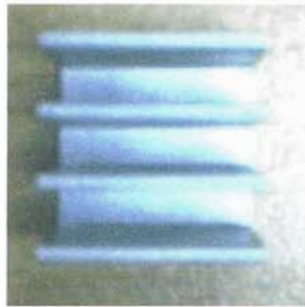

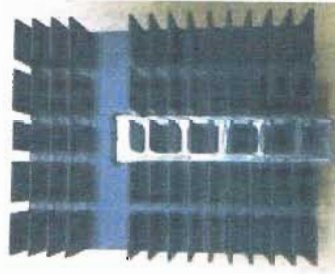

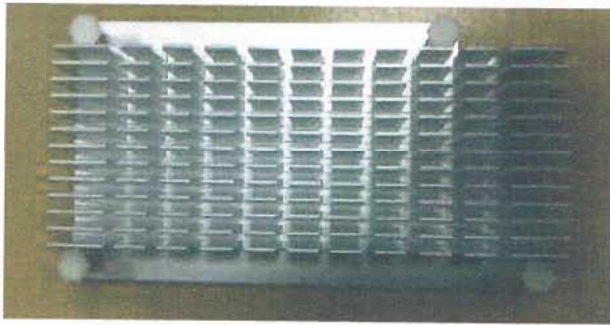

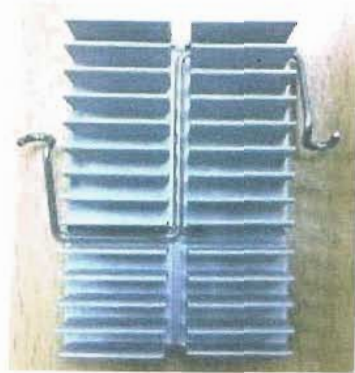

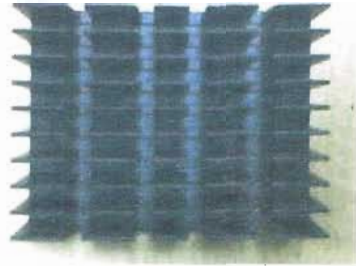

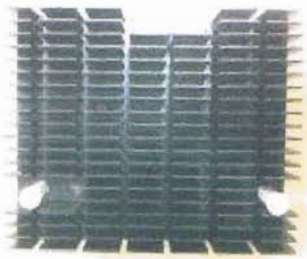

LED lights thermal solution LED connector types included E14, E27, AR111, MR16, GU10...etc

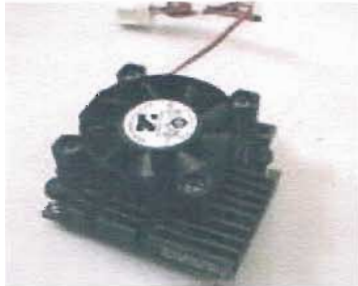

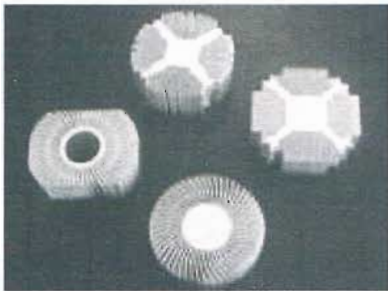

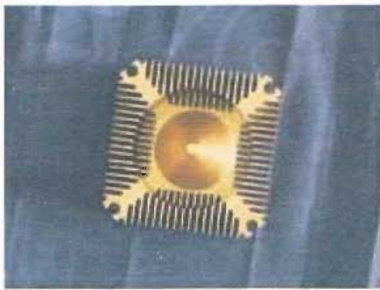

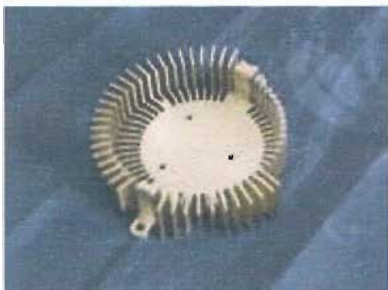

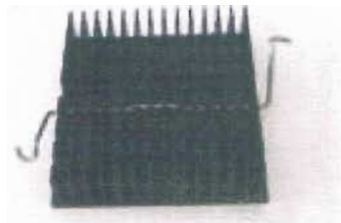

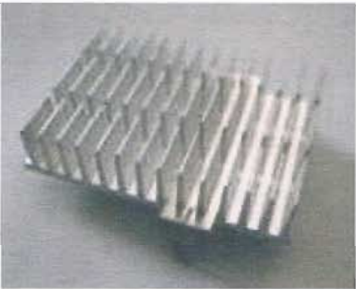

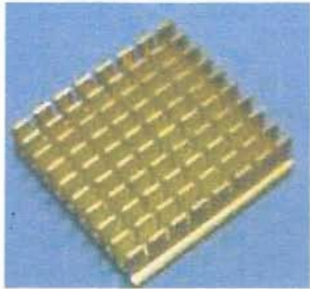

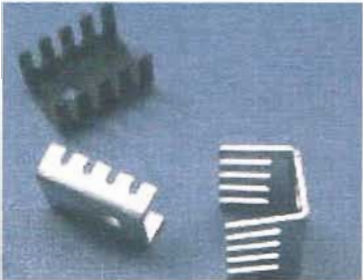

TPLS-TS02

LED lights thermal solution LED connector types included E14, E27, AR111, MR16, GU10...etc
